

THE UNITED STATES DEPARTMENT OF THE INTERIOR  
NATIONAL PARK SERVICE  
LAKE MEAD NATIONAL RECREATION AREA  
601 NEVADA HIGHWAY  
BOULDER CITY, NV 89005

EMERGENCY CLOSURE ORDER  
CN #14-005

July 30, 2014

Pursuant to the authority vested in me as Superintendent, Lake Mead National Recreation Area, National Park Service, I hereby declare that the portion of Lake Mead National Recreation Area known as the Goldstrike Canyon shall be temporarily closed to all access, hiking and other recreational uses.

Goldstrike Canyon is temporarily closed at Approved Road 75A (Goldstrike Canyon Road) and the parking area at the trailhead down the trail toward the river to the Bureau of Reclamation boundary. The hot springs near Goldstrike Canyon are still accessible from the river and remain open to the public.

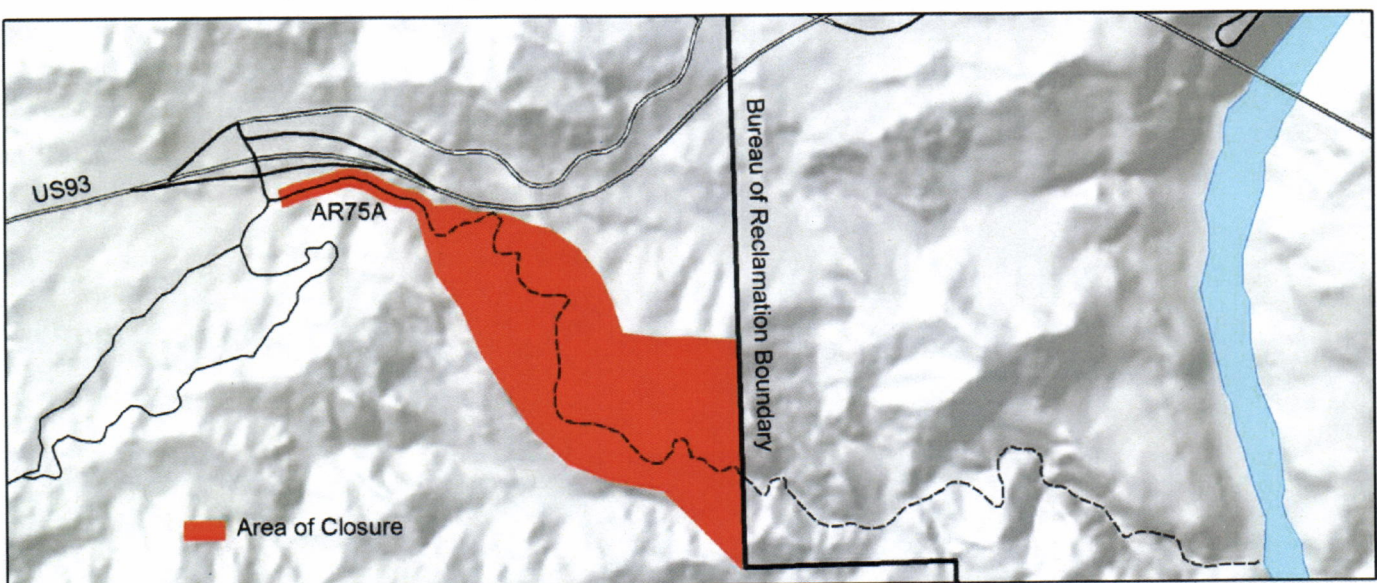

The areas to be closed in the interest of public and employee safety are indicated on the drawing shown below, which is hereby made a part of this order. This temporary closure will begin August 1, 2014 to August 30, 2014.

(Authority: section 1.5, Chapter 1, Title 36, Code of Federal Regulations)

EMERGENCY CLOSURE ORDER  
CN #14-006

July 30, 2014

Pursuant to the authority vested in me as Superintendent, Lake Mead National Recreation Area, National Park Service, I hereby declare that the portion of Lake Mead National Recreation Area known as the White Rock Canyon shall be temporarily closed to all access, hiking and other recreational uses.

White Rock Canyon is temporarily closed at the parking area, down the trails to the top of the Arizona Hot Spring on the southern trail and to the mouth of White Rock Canyon on the northern trail. The hot springs near White Rock Canyon are still accessible from the river and remain open to the public.

The areas to be closed in the interest of public and employee safety are indicated on the drawing shown below, which is hereby made a part of this order. This temporary closure will begin August 1, 2014 to August 30, 2014.
